

BMMD Spring Newsletter

Bear Safe Summit

Properly securing trash is an important part of living in bear country. Summit County government has created a program to assist property owners and HOA's with bear safe trash containers through a potential grant program. Please visit our website or the counties for more information on the program.

DEAD TREE REMOVAL DEADLINE- June 30th!!

The District commissioned a tree survey and residents have been contacted regarding their responsibility of removing dead trees. We have set the deadline to coincide with Summit County's chipping program which will remove the properly stacked debris July 1-5. Please see [WEBSITE](#) for more details.

PROTECT YOUR HOME WITH AQUAHAWK!!

BMMD has switched to an automated service called AquaHawk to assist property owners to monitor their water usage to protect their properties from leaks and high water bills. Please register your property for automated alerts regarding water

RESIDENT RESPONSIBILITIES- NOXIOUS WEEDS

With the Summer season approaching, it is important that all residents are aware of the invasive species in the District. It is every residents' responsibility to remove these noxious weeds from their property to prevent the further spread in the District. Please

consumption. Please click [HERE](#) for more details and instructions on how to register.
